

# Dr. Gordon Backer Memorial Scholarship Application

## History

Dr. Gordon Backer (along with his brother, Dr. Bill Backer), founded what is now the Eye Clinic of Wisconsin. Dr. Gordon Backer was a fellow of the American College of Surgeons and practiced at the Eye Clinic until his retirement in 1995. He was instrumental in driving the geographic growth of the Eye Clinic so that it could provide the highest quality medical services to the largest number of people in the Central Wisconsin area. Dr. Backer had a reputation for fairness in dealing with doctors and employees, and he treated and formed relationships with countless numbers of patients. His legacy of selflessness and leadership lives on in the corporate culture of the Eye Clinic of Wisconsin, which named its Wausau clinic "The Backer Building".
